Dear Sir:

RESPONSE TO THE RESTRICTION REQUIREMENT

The present Response is filed in regard to the Restriction Requirement mailed October 17, 2007 in regard to the above-identified patent application. The period for responding to the Restriction Requirement has been extended, by enclosure of a petition and fee, to and through December 17, 2007.

The Examiner has restricted claims 1-10 into ten groups. Applicants note that a Preliminary Amendment was filed on June 13, 2005 in which claims 4 and 6 were canceled and new claim 11 was added.

In any event, Applicants elect Group I, containing claims 1-3 and 5 where “R¹ and R² are phenyl and R³ represents non-heterocyclic groups.”

The Examiner further asserts that Applicants are required to elect a single compound if Group I is elected. Applicants’ undersigned representative understands the Examiner’s request to be a requirement for an election of species. Although Applicants submit that the entire scope of the claims within elected Group I should be searched, to the extent that an election of species is requested, Applicants elect the compound of Example 2. Claims 1-3 and 5 read on the elected species.
